EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Clint Feekes on 3/13/2008.

The application has been amended as follows:

Claim 5 line 7: "allow applications" should read "allow application".

Claim 5 line 17: "an operating system" should read "the operating system"

REASONS FOR ALLOWANCE

Claims 5 and 7-10 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner has carefully considered all pending claims 5 and 7-10.

The current invention is directed to a user interface which assists users in guiding a pointer to a target by using GUI objects comprised of a guide area and a target.

Independent claim 5 recites "determining whether guide area on the user interface are scheduled to overlap; if a determination is made that guide areas are scheduled to overlap, preventing the guide areas from overlapping".

The examiner has located four prior art references, Pauly (US 6693653), Leah et al. (US 5808601), Kimble (US 6031531), and Aymeric (US 6995746), that teach of guide areas associated with targets for assisting a user in positioning a pointer on a target. However, each of the four references discloses the ability to have guide areas that overlap. Thus, the prior art of record neither render nor anticipate the claimed invention. Therefore, all pending claims 5 and 7-10 are allowed.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to NICHOLAS S. ULRICH whose telephone number is (571)270-1397. The examiner can normally be reached on M-TH 9:00 - 5:00 EST.
